

General Information on the Course Material

Mihaly Novak (CERN, EP-SFT)

Getting Started with `Geant4` at CERN, Geneva (Switzerland)

- **The Geant4 webpage**: documentations, downloads, etc.
<https://geant4.web.cern.ch/>
- **The course Indico**: agenda, snapshot of our code, etc.
<https://indico.cern.ch/event/1370034/>
- **Course material**: slides, applications (i.e. final version of our code)
<https://github.com/mnovak42/Geant4-Beginner-Course>
- **Additional material**: preliminaries (i.e. we will use this only at the very beginning)
