- ✧ CNRS Datagrid-fr CA issues certificates:
  - ✓ to 44 institutes
  - ✓ in 17 countries
  - ✓ 400 certificates has been issued
- ✧ We are catch-all CA for DataGrid and LCG projects
  - ✓ Question: CERN could be catch-all CA for LCG ?
- ✧ All CNRS CAs are managed by the unit UREC at Grenoble

- ✧ During first quaterly of 2004,
  - ✓ CNRS CAs will be managed by the unit DSI at Toulouse
  
- ✧ CNRS Datagrid-fr CA will finish after the review on April 2004
- ✧ CNRS Egee CA will be the new CNRS CA for EGEE and LCG projects
- ✧ CNRS Egee CA will issue certs with a distinguish cert subject:
  - ✓ `/O=CNRSGRID/C=.../O=.../OU=.../CN=.../Email=...`
- ✧ I hope to start the new CA before the review on February 2004
