Heinrich as (Group)Leader

Augusto Ceccucci
CERN

Some advice from Heinrich:

- Be concise

  "I can say the same with less words"
- Be precise

  "You need to be a lawyer to interpret this"
- Never lose your temper

  "Shout louder so I can understand you better"
- Get to the point

  "If I do not understand it, either I am stupid or it is wrong"
- Avoid hype

  "The resolution is ~~very~~ good"
