APPLICATION TESTBED SITE STATUS

Eric Fede

fede@cppm.in2p3.fr

EDG 2.0.x TESTBED APPLICATION STATUS

- Information issue from a document send to each site administrator to be filling.

- Representative of the set of site where the evaluation will be done during the next month.

- Some site (one or two) are missing.

Access for computing and Storage

Access for Storage only

Access for Computing only

Unsupport or status unknow

CONCLUSION

A testbed enough large (#site, CPU, VO) to do the evaluation onside

The main part of the site which declared to support EDG until the end of the project (see the site status presentation at Barcelona) are present now.
