

Experiment Prototype Applications

ALIEN ADA GAE DIRAC

Experiment Requirements and Use Cases

- Experiment
- LCG
- Grid MW
- ARDA

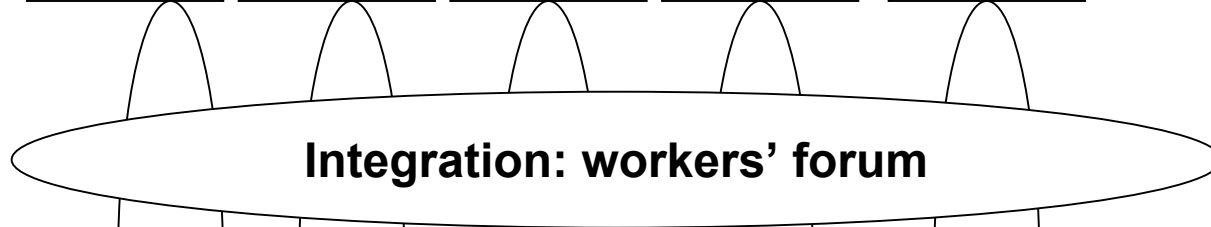

workers

coordination

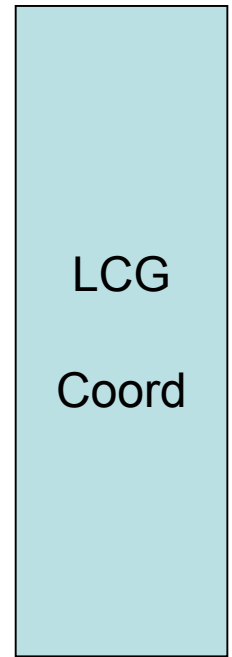

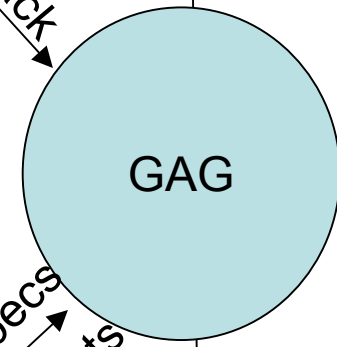

Experiments:
Coordinated activity – physicists, analysis application
Providing prototype data analysis system
“instances of HEPCAL 2 use cases”

Expt. coordination

Alice ATLAS CMS LHCb LCG AA projects

Feedback

Middleware
- Base requirements come from GAG
- Iterate with users on prototype requirements, service specification, deployment, feedback,
- Service definitions published by sending them to GAG
