French Federation

The French Federation of EGEE has responsibility within SA1 for the operation of the French ROC and the French contribution to the CIC.

The following persons will be involved with the French ROC:
- David Bouvet
- Pierre Girard
- Fabio Hernandez
- Gilles Mathieu
- Rolf Rumler
- Jonathan Schaeffer
- Frédéric Schaer
and, occasionally, other people from the Computing Center of the IN2P3.

The following persons will be involved with the French contribution to the CIC:
- David Bouvet
- Pierre Girard
- Fabio Hernandez
- Gilles Mathieu
- Rolf Rumler
- Jonathan Schaeffer
- Frédéric Schaer
and, occasionally, other people from the Computing Center of the IN2P3.

The following persons are responsible for the following RCs:

The intention of the French Federation is to ensure that all of the people involved with the EGEE project will be trained in an appropriate manner as described in the general principles at the beginning of this section.

In addition to using the courses delivered by NA3 and the materials provided by NA3, the French Federation intends to provide training in French. The availability of the courses will be communicated to the partners within the French Federation by e-mail and on its website.

The following course has been planned. (The dates and times of this training are subject to change):

Date	Location	Topic
7-8 Oct 2004	In2P3, Lyon	EGEE for end users

The French Federation will provide information to NA1 about such activities to ensure that the records of attendance on such courses are included in the training records.
