

1 CIC Meeting (12)  
2  
3 I have put up an agenda for the CIC meeting of 22 June 2004.  
4  
5 <http://agenda.cern.ch/fullAgenda.php?ida=a042730>  
6  
7 To join the conference, call +41 22 767 7000 and ask for the CIC conference chaired by Nick Thackray.  
8  
9  
10 This is proposed as the agenda:  
11  
12 - Membership and leadership of the CIC  
13  
14 - Charter of the group (R3T for CIC) - this is external focussed  
15  
16 - Internal arrangements for working together  
17  
18 - Frequency of meetings  
19  
20 - Date of future meetings  
21  
22 I propose that Nick Thackray will fulfil a similar role with the CIC group which I have adopted with  
the ROC group. He will provide the administrative work to ensure that the meetings happen in  
reasonable manner.  
23

39 Ian Bird is sick today (Monday 21/06/04), but we expect him tomorrow (22/06/04). As Ian is clearly an  
important person in getting the CIC working, we will defer the meeting, if he is sick tomorrow also.  
40  
41 Any comments, observations, concerns etc should be sent to me or to Nick.
