

Database Developers Workshop Closing Remarks

Maria Girone, IT-ADC

28 January 2005

Remarks

- More than 80 participants to morning and hands-on sessions
- Any feedback about content/structure appreciated!
- We will be happy to organise a follow-up workshop
- We will collect all the workshop material at
 - <http://wwdb.web.cern.ch/wwdb/phydb/>
- Feedback, support requests at
 - physics-database.support@cern.ch

Thanks!

- Many thanks to you for participating!
- Many thanks to Jamie and Frank for organizing it!
- Many thanks to all the speakers and hands-on helpers!
- Many thanks to IT-DES for the tutorial database setting up!
