

UK Institute of Physics: Particle Physics 2004

Wednesday, 7 April 2004

Parallel VIII: GRID and Computing (11:00 - 12:30)

time	[id] title	presenter
11:00	[42] Simulation of Replica Optimisation Strategies for Data Grids	DAVID CAMERON
11:15	[43] Storage Management on the Grid	ALASDAIR EARL
11:30	[44] Running BaBar Jobs on the Grid using gsub and AliBaBa	MIKE JONES
11:45	[45] A web based submission tool for a Physics Computing Cluster	DAVID JONES
