M/S/N Deployment Issues

GridPP Deployment Board

General

- Testing & validation of gLite
  - How far to go ?
- Deployment Architecture
  - ~ does not exist; an evolution
  - Should GridPP develop one/push for one ?
  - What is the difference : LCG2 <-> gLite
- Still no pre-production service...yet
  - Does this matter ?
- M/W configuration
  - Is the feedback getting through to the developers ?

- WMS
  - Testing - performance
- Networking
  - Deployment of monitoring in UK
- Metadata
  - Differences between EGEE & ARDA views
    - Grenoble to resolve this ?

- New list setup for announcements about gLite releases,updates, patches and other special news.
