

Les Houches 2005 (SM: EW, QCD and Higgs)

Wednesday, 4 May 2005

Electroweak corrections for LHC and LC (multi-parton, EW gauge-boson and Higgs production, etc.) (14:00 - 16:00)

time	[id] title	presenter
14:00	[1] Introduction: "Precision calculations for LHC (& ILC?): electroweak corrections and related issues"	S.DITTMAYER
14:30	[2] One-loop corrections to many-particle production	G.HEINRICH
15:00	[3] Progress toward $pp \rightarrow tt + \text{jet}$ in NLO QCD	P.UWER
