

Thank you

- all the speakers
- all the participants in all the working groups and plenary sessions
- all the conveners
- all the people from outside, who continuously attended the workshop meetings
- the organising committee and the advisory committee for their constructive support during a full year of workshop
- DESY for sponsoring the conference dinner yesterday !
- CERN and DESY for continuous and financial support of this workshop !
- the people from the computing center for installing and running VRVS videoconferencing and webcast and installing the Internet Cafe, especially:
R. Eisberg, S. Koenig, H. Lehmann and their DESY crew
- Alla Grabowski (DESY), Dorothee Denise (CERN) and Sabine Platz (DESY).

HERA and the LHC

**This will be the beginning of a
beautiful friendship !**
