

# TeV4LHC Workshop

William Kilgore  
Brookhaven National Laboratory

# Welcome!

- Welcome to the second installment of the TeV4LHC Workshop Series.
- The first meeting was held at Fermilab, Sept. 16-18, 2004.
- The third meeting will be held at CERN in late April, 2005
- The final meeting will be at Fermilab in the Fall of 2005.

# Thanks

- Thanks to the TeV4LHC Organizing Committee for putting this series together.

[Georges Azuelos, Ulrich Baur, Marcela Carena (Chair), Sally Dawson, Dan Green, Ian Hinchliffe, Young-Kee Kim, Joe Lykken, Stephen Mrenna, Heidi Schellman, and John Womersley]

- Thanks to Sally Dawson and the local organizing committee for putting this meeting together.

[S. Dawson (Chair), H. Gordon, W. Kilgore, H. Ma, F. Paige, S. Protopopescu]

- Thanks to our meeting coordinator, Amber Melosi for her hard work attending to the logistics.

- Thanks to the Subgroup Convenors for putting together the Parallel Sessions.

[V. Buescher, F. Chlebana, B. Dobrescu, A. Dominguez, S. Ellis, C. Gerber, W. Giele, J. Huston, I. Iashvili, W. Kilgore, S. Mrenna, D. Rainwater, M. Schmitt, T. Tait, E. Thomson, W-K. Tung, D. Wackerroth, S. Willenbrock, M. Wobisch, M. Zielinski]

- Thank you for coming and contributing.

# Meals

- Breakfast is provided free to all participants in the Physics Lounge 30 minutes before the Plenary Sessions begin.
- Lunch (12:00-1:30) will be available in the Berkner Hall Cafeteria.
- Dinner tonight is provide free to all participants in the Physics Lounge starting at 6:30. We will have sandwiches and a cash bar.
- The Conference Dinner is tomorrow night at 6:30 at the Brookhaven Center. Please pay Amber Melosi (\$40) by NOON today.

# Conference Information

- Information about computing is available in the Physics Lounge, outside. There are wireless connections available in all meeting rooms.
- The printed agenda is available in the lounge.
- Up-to-the-minute changes and links to the talks are available from the conference web page <https://www.bnl.gov/TeV4LHC> by selecting the link to the **CERN Agenda Server** (<http://agenda.cern.ch/fullAgenda.php?ida=a05619>).

# Broadcasts

- All sessions here in the Large Seminar Room will be broadcast on Streaming Video at [http://www.bnl.gov/video/main\\_e.asp](http://www.bnl.gov/video/main_e.asp).
- All sessions in the Small Seminar Room will be broadcast on VRVS. Thursday sessions will be in the Island Room and Friday sessions will be in the Forest Room.

# Speakers

- Speakers should post their talks to the **CERN Agenda Server**. Plenary speakers have received email instructions. Parallel speakers should have instructions from their subgroup convenors. Posting talks to the agenda server saves the time needed to change laptops and makes talks available to posterity.
- Speakers using transparencies should make photocopies so that we can scan them and post them on the web.
