Best wishes for a successful 2007

- Review the current status of the project
- Prepare for the upcoming EU review in May
- Discuss the workplan and potential changes for the 2nd year of EGEE-II
- **NEW:** break-out sessions allow for a more focussed and in-depth discussion of certain issues
- Dense schedule – keep discussion for dedicated slots (combining several presentations)

- **31 March : Contributions due to:**
 - 4th Quarterly Report
 - 1st Periodic Report (covering year 1)
 - Revised implementation plan (DoW)
 - cross-check “work performed” sections of cost claims
 - Need to be sent to EU and reviewers, with all period 1 deliverables, by 1 May
- **19 & 20 April : First review rehearsal**
- **3 & 4 May : Review dress rehearsal**
- **7-11 May : EGEE UF and OGF20, Manchester**
- **15 & 16 May : EU review**
 - Contract amendment after the review will include revised DoW
- **First week of July: All-Activity meeting to discuss review recommendations**
 - Probably co-located with a PMB
- **EGEE-III call (Preliminary information): publication June, Submission Autumn (Sept/Oct)**
- **1-5 October : EGEE’07, Budapest**

- **Very successful EGEE'06 conference**
 - Biggest European Grid event since GGF5!
 - THANKS to EVERYONE in EGEE for YOUR HARD WORK
- **External Advisory Committee established**
 - Frederica Darema (NSF), Carole Goble (University of Manchester), Phil Andrews (SDSC), David Snelling (Fujitsu), Eike Jessen (DFN)
- **Successful launch of Related Project Liaison Office**
 - In collaboration with NA5
